September 23, 2005

Sir:

In response to the Notification to Comply of August 11, 2005, and in accordance with 37 CFR §1.821 through §1.825, applicants are submitting herewith the Sequence Listing for the above-identified application both in paper copy form and in computer readable form.

The name of the file on the computer readable form is 10.523729. The content of the sequence listing information recorded in computer readable form is identical to the paper form sequence listing and includes no new matter.

Please replace the current sequence listing in the specification with the instant sequence listing. If any additional fees become due in this application, please charge our Deposit Account No. 02-2334, along with any other fees with respect to this paper.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "William M. Blackstone", written over a horizontal line.
